Dear PCA Family,

Peoples Christian Academy has decided to begin a Capital Resourcing Campaign to raise funds for our school's relocation to 245 Renfrew Drive. We would like to ask you to begin making PCA a greater part of your individual and family prayers. Pray for divine guidance and blessing upon every aspect of this ministry. Pray for every student, alumni, faculty, staff, administrator and board member. Pray that God will guide and help you see how you can be a part of this breakthrough for PCA.

**WHY ARE WE DOING THIS?** Two special opportunities become possible through the success of this campaign.

1. We all show our love and appreciation to our school, its ministries and one another more. We expect at least 70% to 90% of those that are a part of the school family to be involved at the working level during the next three months. Even though we have an ambitious monetary goal *our primary interest as a ministry is people*. As an independent ministry we need to begin to build a culture as a faith community for the people we serve.
2. Our next priority will be to raise the capital funds necessary to finance the renovation and acquisition of our new school location. Think of what great opportunities such a victory would allow us! We want to continue to create a safe and thriving learning environment for our children, giving them optimum growth opportunities in science, in the arts, in athletics and, most importantly, in understanding and applying the truth of God's Word. We are encouraged when we see how God has provided us with this door of opportunity to relocate to a first rate property in an area that is readily accessible to the majority of our families.

We are aware that our families sacrifice to send their children to a school where they can receive a quality Christian education. In order to make the relocation a reality we are asking you to go a step further. The extended period of 36 months gives each of us time to do something significant. It also frees us from the need of creating annual projects and appeals each year. As a faith-based community we already know that great goals force us to seek God's face, to renew our commitment to Him, to evaluate our priorities and to stretch our faith in the divine resources we proclaim.

**SO BEGIN NOW...** to make the Campaign, "A Legacy of Learning," a priority in your prayers. Pray specifically to know what God wants to do through your life in this school. Ask Him to build your faith in new and exciting ways. An opportunity to make your commitment for the next three years will be given during the month of December.

*Please turn over for important dates.*

The following are important dates for you to remember as you plan your schedule:

***October – December 2009*** - COMMUNICATION.

During this time we want every family to have as much information as possible so that intelligent prayerful decisions can be made. The means of communication will include a brochure, newsletters, special chapel sessions, personal testimonies and a celebration event.

***November 2009*** - PRAYER VISITS IN HOMES.

During this period a large group of people will seek to visit every home for the purpose of joining you in prayer. They will share information and answer questions. This is a ministry visit with a genuine call to prayer and an expression of our care for you as part of “**A Legacy of Learning.**”

***November 20, 2009*** - PRAYER VIGIL.

Our upcoming Prayer Vigil will be a time of spiritual awakening for our school. As a body of believers, we will be binding together, seeking God’s touch as individuals, families and as a school family. This Prayer Vigil will be touching lives for eternity!

***December 6 - 12, 2009*** - HARVEST TIME - COMMITMENT WEEK.

Please join in prayer for each family in our school as we listen to the voice of the Lord as He directs us in making a sacrificial commitment.

***(Date To Be Announced)*** - FIRST FRUITS WEEK.

On these days we will celebrate together the victory God has given to enable us to break through to greater ministry for His glory. It will be an exciting, unforgettable time in the history of Peoples Christian Academy and an open door to vision and growth for our future. We will be receiving a 'First Fruits' offering this week. It is our desire to realize 10% of the goal that will be set. Listen and watch for more information in the weeks ahead.

Please remember that to realize our goals—to make an exciting new beginning at Renfrew Drive in September 2010—we need everyone connected with the PCA family to unite. The rich “legacy of learning” which has been passed on to us must continue. Together we can ensure that it does. ***“Train a child in the way he should go, and when he is old he will not turn from it.” Proverbs 22:6.***
