Relocation Communication Issue 2 May 7, 2011

## Relocation Updates

1. The renovations are going full steam ahead at the 245 Renfrew site. You may track the site progress visually at this link on the [PCA School Site](#).
2. We continue to seek your prayers and financial support. The Phase 1 renovation budget is \$3.3 million. As most of the funding is through financing, we look to the PCA community to support the school via donations also. Please prayerfully consider donating to PCA. You can drop off donation cheques at the school offices. Tax receipts will be issued.
3. On May 10, there will be an interview with the Ministry of Children and Youth Services for operating a Day Care at 245 Renfrew. Please pray for Rev. Reg Andrews and Genny Ng as they finalize the preparation before the interview.

“Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.” Philippians 4:6-7
